## FERTILITY GOD DUTIES

volume 01

S4DSQU1D

in a certain town, a certain creature named ELUM would finally exercising his role as the new Fertility God on active duty.

THE ONE BEFORE HIM, HIS OWN MOTHER WAS FINALLY ready TO retire and, WITH HIS training-ONLY PHASE over, IT WAS TIME FOR HIM TO BE THE FILL THE ROLE OF ON-DUTY FERTILITY GOD.

...Heon??

i'm nervous, WHAT IF I SCREW UP??? WHAT IF I CAN'T-

ELUM, DEAR, THIS IS YOUR HOLY DUTY, I DON'T THINK YOU COULD "SCREW UP" EVEN IF YOU TRIED!!

DO YOU REALLY, REALLY THINK THAT?

HAVE I EVER LIED TO YOU?

n-no...

Aside from giving out Blessings, a Fertility God must carry and give birth to the next generation of all other gods.

This is done through yearly mating rituals. They need to go through 20 of them before being able to retire.

Fertility gods and goddesses do not wear clothing when on duty, so, because it was Elum's first ceremony it would be his first time being fully naked in front of so many people.

Needless to say, this will take a good while...

The first one they carry is always their own successor, so, by the time Elum himself finishes his duty, the next god in line will be of age to take his place. But we are getting ahead of ourselves.

He might be a bit embarrassed at first but he will get used to it soon enough. It's in his best interest to do so, as he will only be allowed to wear clothes again once he retires.

WITH HELP FROM Heon, his guardian ,  
Elum settles in the ceremonial  
chair. His Legs are kept spread open  
with the chains so he can focus on  
solely his duties and so won't need  
to stress about keeping his position.

Elum is still inexperienced so he may get  
overstimulated easily, that is why his hands are  
also bound to the chair. This should prevent him  
from involuntarily pushing people's hands away  
at those times.

A SPECIAL ointment is applied on his  
genitals before it all starts. IT WILL  
HELP HIM KEEP HIS sensitivity during the  
whole thing, preventing his nerves from  
going numb due to excess of stimuli.

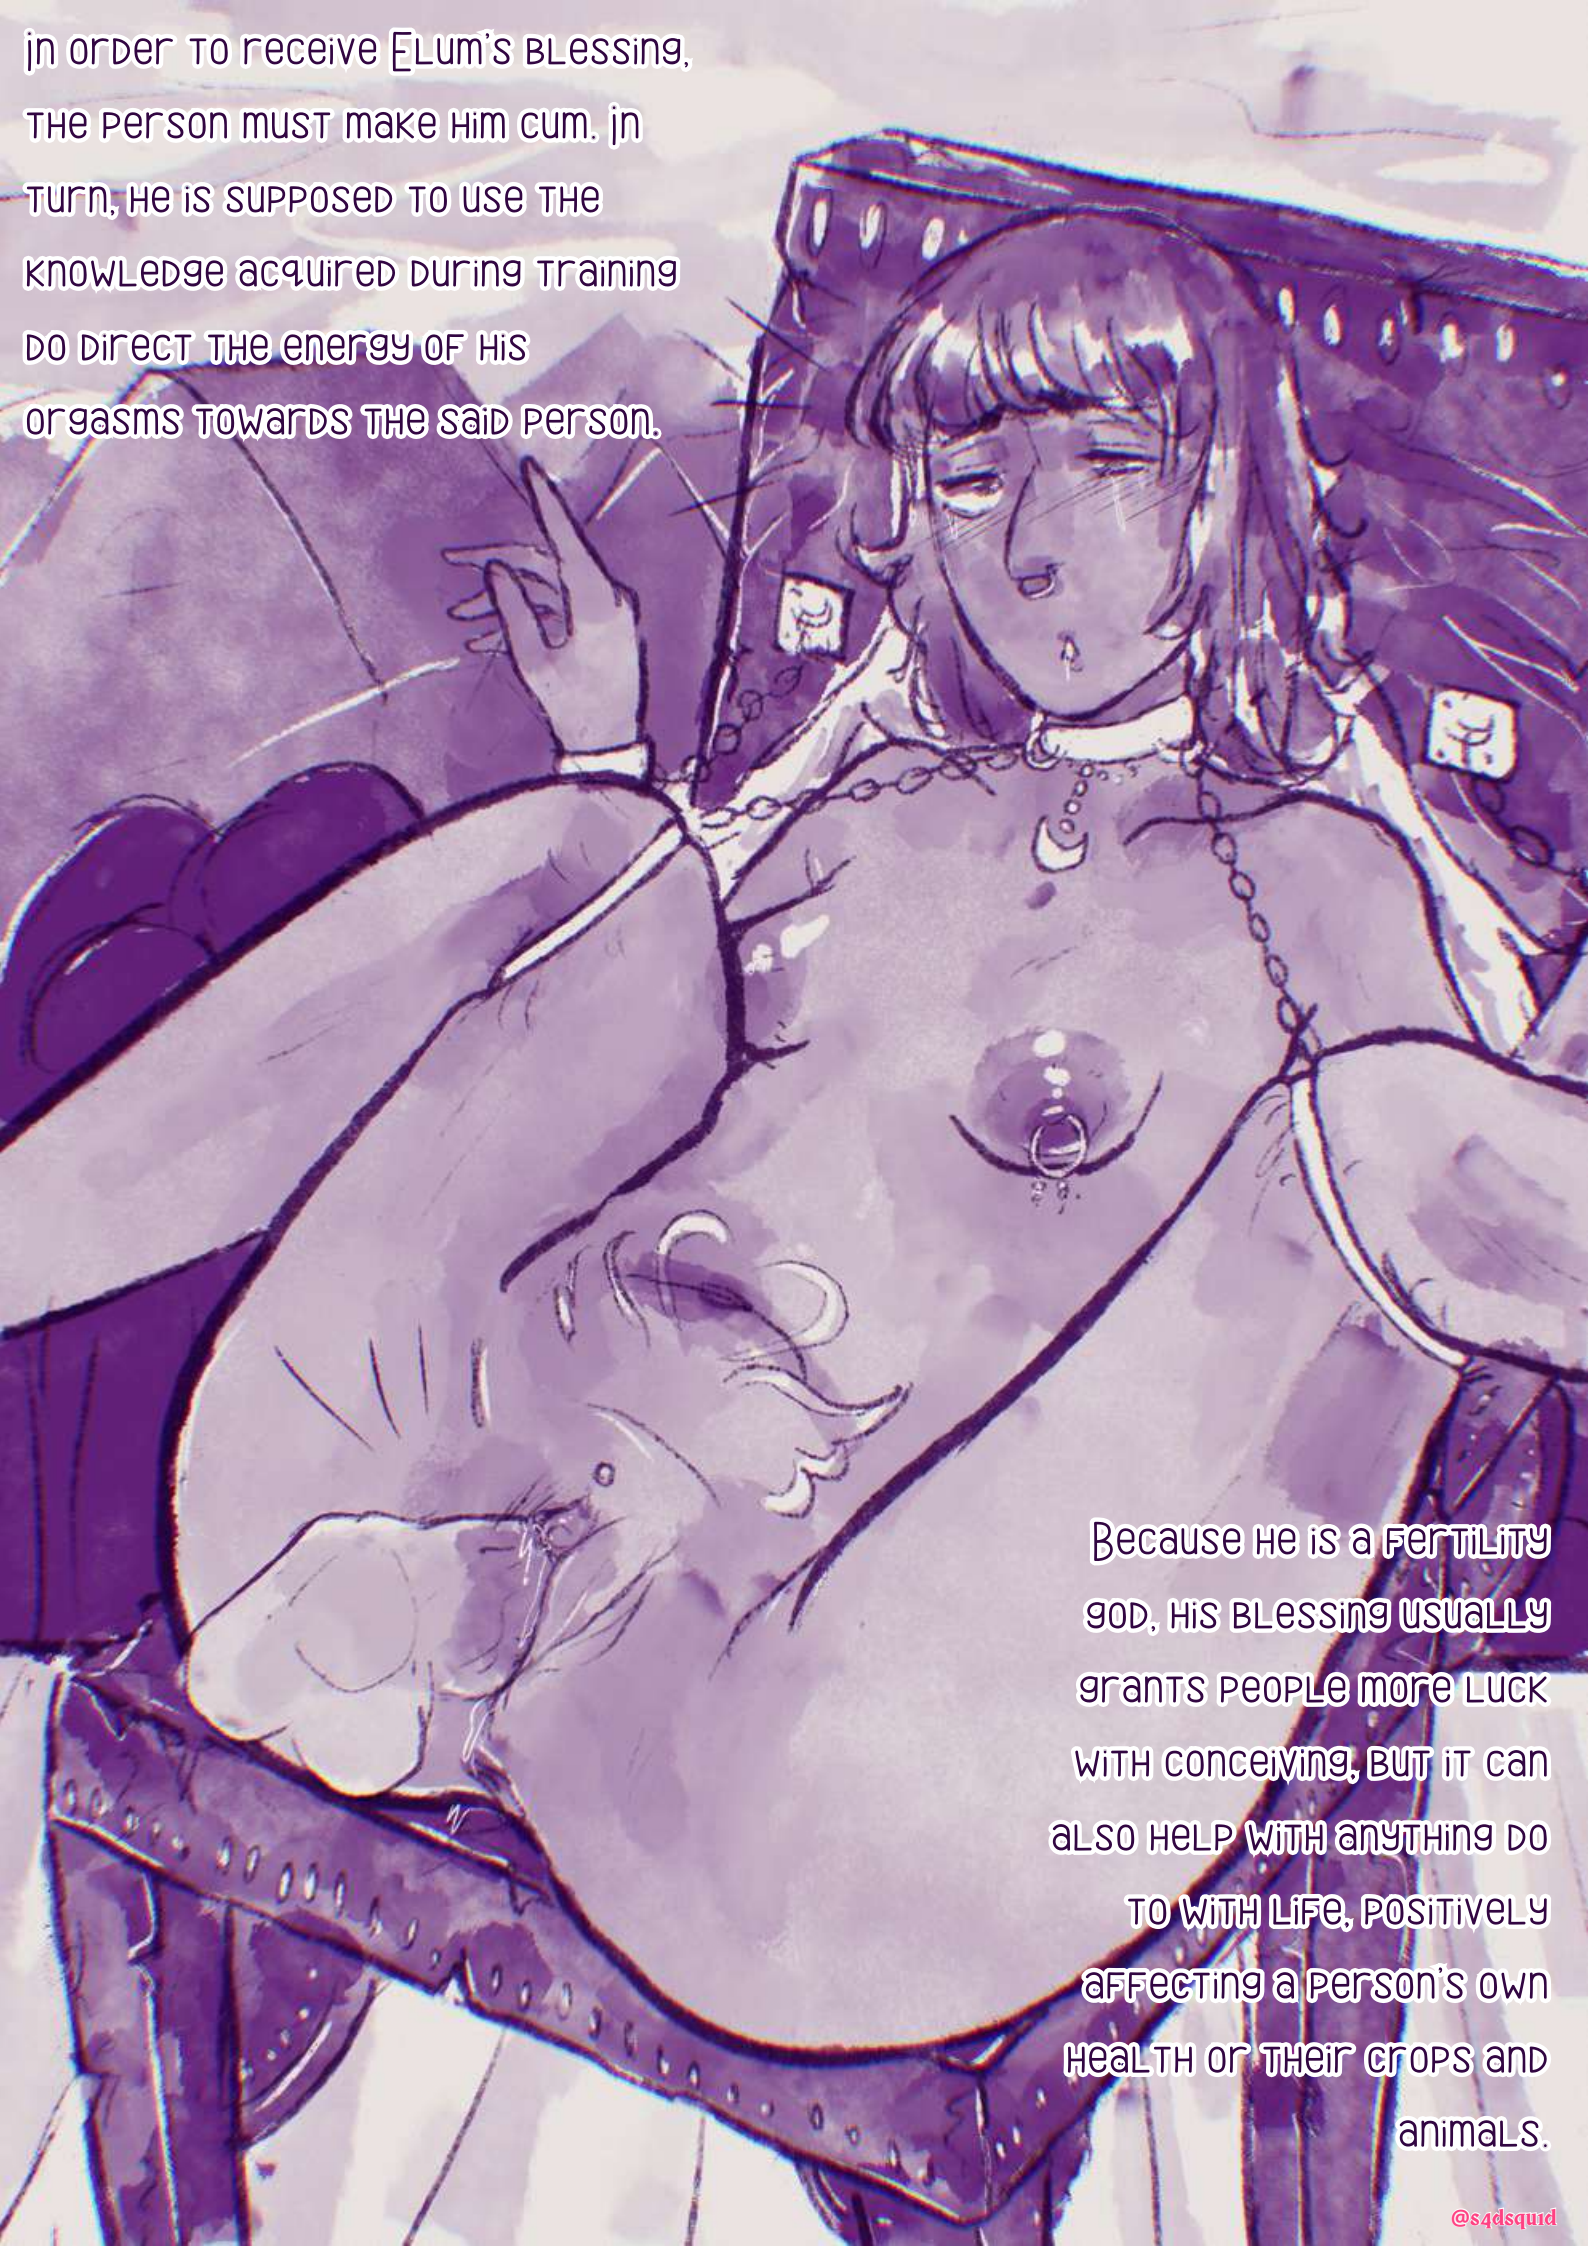

THE WHOLE THING LASTS FOR 12 HOURS so it's  
DEFINITELY needed, especially when you consider  
THE CONDITIONS THAT need to be met in order for  
ELUM to be able to BLESS PEOPLE. We'll talk  
more about that a bit later, though!

A fertility god's training starts when they reach 18 years of age.

That is also when a guardian is selected to both help carry out this training and act as sort of a caretaker. Usually, god and guardian chose themselves mutually, but they must follow two rules: both must have been born in the same year and both have the same gender. Since Elum is a trans man, Heon is too!

Training for Elum involves mostly sexual endurance and learning how to guide his powers to bless people, preferably both at the same time.

During this period, the only person allowed to touch and even look at Elum's body was Heon. So the first time someone else inserts themselves inside of him it's a bit overwhelming.

in order to receive Elum's Blessing,  
The person must make him cum. In  
turn, he is supposed to use the  
knowledge acquired during training  
to direct the energy of his  
orgasms towards the said person.

Because he is a fertility  
god, his blessing usually  
grants people more luck  
with conceiving, but it can  
also help with anything do  
to with life, positively  
affecting a person's own  
health or their crops and  
animals.

IN THIS SPECIFIC RITUAL, PEOPLE THAT  
ARE CAPABLE OF EJACULATING MUST  
DO SO INSIDE OF HIM AS AN "OFFERING".  
THOSE WHO CAN'T WILL INSTEAD RUB  
THEIR OWN FLUIDS (EITHER SALIVA OR  
SLICK) ONTO HIS GENITALS.

FERTILITY GODS ARE UNIQUE IN A SENSE THAT THEIR  
OFFSPRING IS COMPLETELY DEVOID OF THEIR OWN GENETIC  
MATERIAL. INSTEAD, THEY CREATE A NEW BEING USING A  
MIXTURE OF EVERYTHING THAT IS Poured ONTO THEM.

THEY ARE ALSO, QUITE OBVIOUSLY, EXTREMELY FERTILE,  
SO THE CHANCES OF CONCEPTION ARE 100%..

AHHH, I'M ACTUALLY DOING IT...

Everyone can see me LIKE THIS now, and I...  
I...I came in front of everyone....

Hnnngh, crap!! Heon was right.  
THIS FEELS, nice...!!!  
ALMOST TOO nice!!

AH, I CAN'T LOSE FOCUS!! I  
NEED TO BLESS PEOPLE!!  
FOCUS, ELUM, FOCUS!!!

EVEN THOUGH HE HAD TRAINED A LOT FOR THIS, ELUM IS SCARED ABOUT HOW GOOD HE IS  
FEELING ALREADY, AND HOW EASILY THE VERY FIRST PERSON MADE HIM CUM. HE WONDER  
S IF HE WOULD EVEN LAST THE ENTIRE DAY WITHOUT FAINTING.

However, it doesn't take long  
for Elum to finally  
understand he was made for  
his role. He finds it easy to  
both give his blessings and  
enjoy himself at the same  
time.

It's still a bit overwhelming  
when two or more people are  
touching him at once, but he  
manages to still do as he is  
supposed to.

IT GETS TO A POINT HE  
WONDERS WHY HE HAD BEEN SO  
NERVOUS. HE NEVER IMAGINED  
HAVING SO MANY PEOPLE  
TOUCH AND CUM INSIDE OF HIM  
WOULD FEEL SO GOOD!

AFTER some hours pass, someone manages to make him squirt.

AT FIRST ELUM is afraid he peed himself as he had never been able to do it during training. He thought he was completely incapable squirting and so it would never happen, but apparently he just needed a very absurd amount of overstimulation for it to finally happen.

He is beside himself with happiness! People in the town consider it to be a very good omen when a fertility gods squirts during mating, so they are all very happy! They are praising him so much!! He is very relieved too, knowing he can actually give them that!

OF course being in THIS position  
mean you have to BLESS every  
one OF THE TOWN THAT asks. Even  
THE guy WITH THE giant cock!

Elum is a BIT FRIGHTENED and afraid it  
won't FIT, BUT RULES are RULES and he  
can't JUST TELL HIM TO NO DO IT. SO HE  
GRITS HIS TEETH and BRACES HIMSELF  
FOR THE worse.

A purple-toned illustration of a woman with long hair, wearing a white choker and a necklace with a crescent moon pendant. She is seated in a dark, padded chair with metal buckles. A man's head is resting in her lap, and his hand is near her chest. The scene is intimate and sensual.

To his surprise, he feels nothing but sheer pleasure as his cunt is stretched out by the man's huge member. He feels it touching his cervix and it's like a gentle, extremely pleasurable kiss. His cunt spasms and he lets out a loud moan, no longer embarrassed about letting everyone see how much he was enjoying this.

He doesn't even notice the bulge in his belly nor is he even aware of the squelching sounds the mix of semen and slick make as the man thrust into his overstimulated cunt. All he feels is the constant pressure on the entrance to his womb, building up so much pleasure he is sure he will faint when he finally cums.

OF course, Elum does not faint when his orgasm comes. His whole body twitches and he thinks he might be squirting again but can't even be sure of that. When the man was finally done, the god felt nothing but bliss, quickly followed by a sense of sadness now that his stretched out, still twitching hole was left completely empty.

Thankfully, this emptiness won't last long! He still had half a day to go, after all..

As the day progressed, more and more people TOUCHED HIM ALL AT THE same time. Time was SHORT and there are PLENTY OF PEOPLE WHO NEED TO give THEIR OFFERINGS.

So, to save time, someone FUCKED HIM WHILE ANOTHER PLAYS WITH HIS NIPPLES, ANOTHER PINCHES HIS CLIT, THE OTHER SPREAD OUT HIS LABIA AND MUCH MORE.

He doesn't even have TIME TO come DOWN FROM each orgasm, it's JUST a very LONG one THAT never seems TO STOP. Elum DOESN'T mind, IT makes IT MUCH easier TO JUST BLESS everyone around HIM. He never WANTS it TO end!

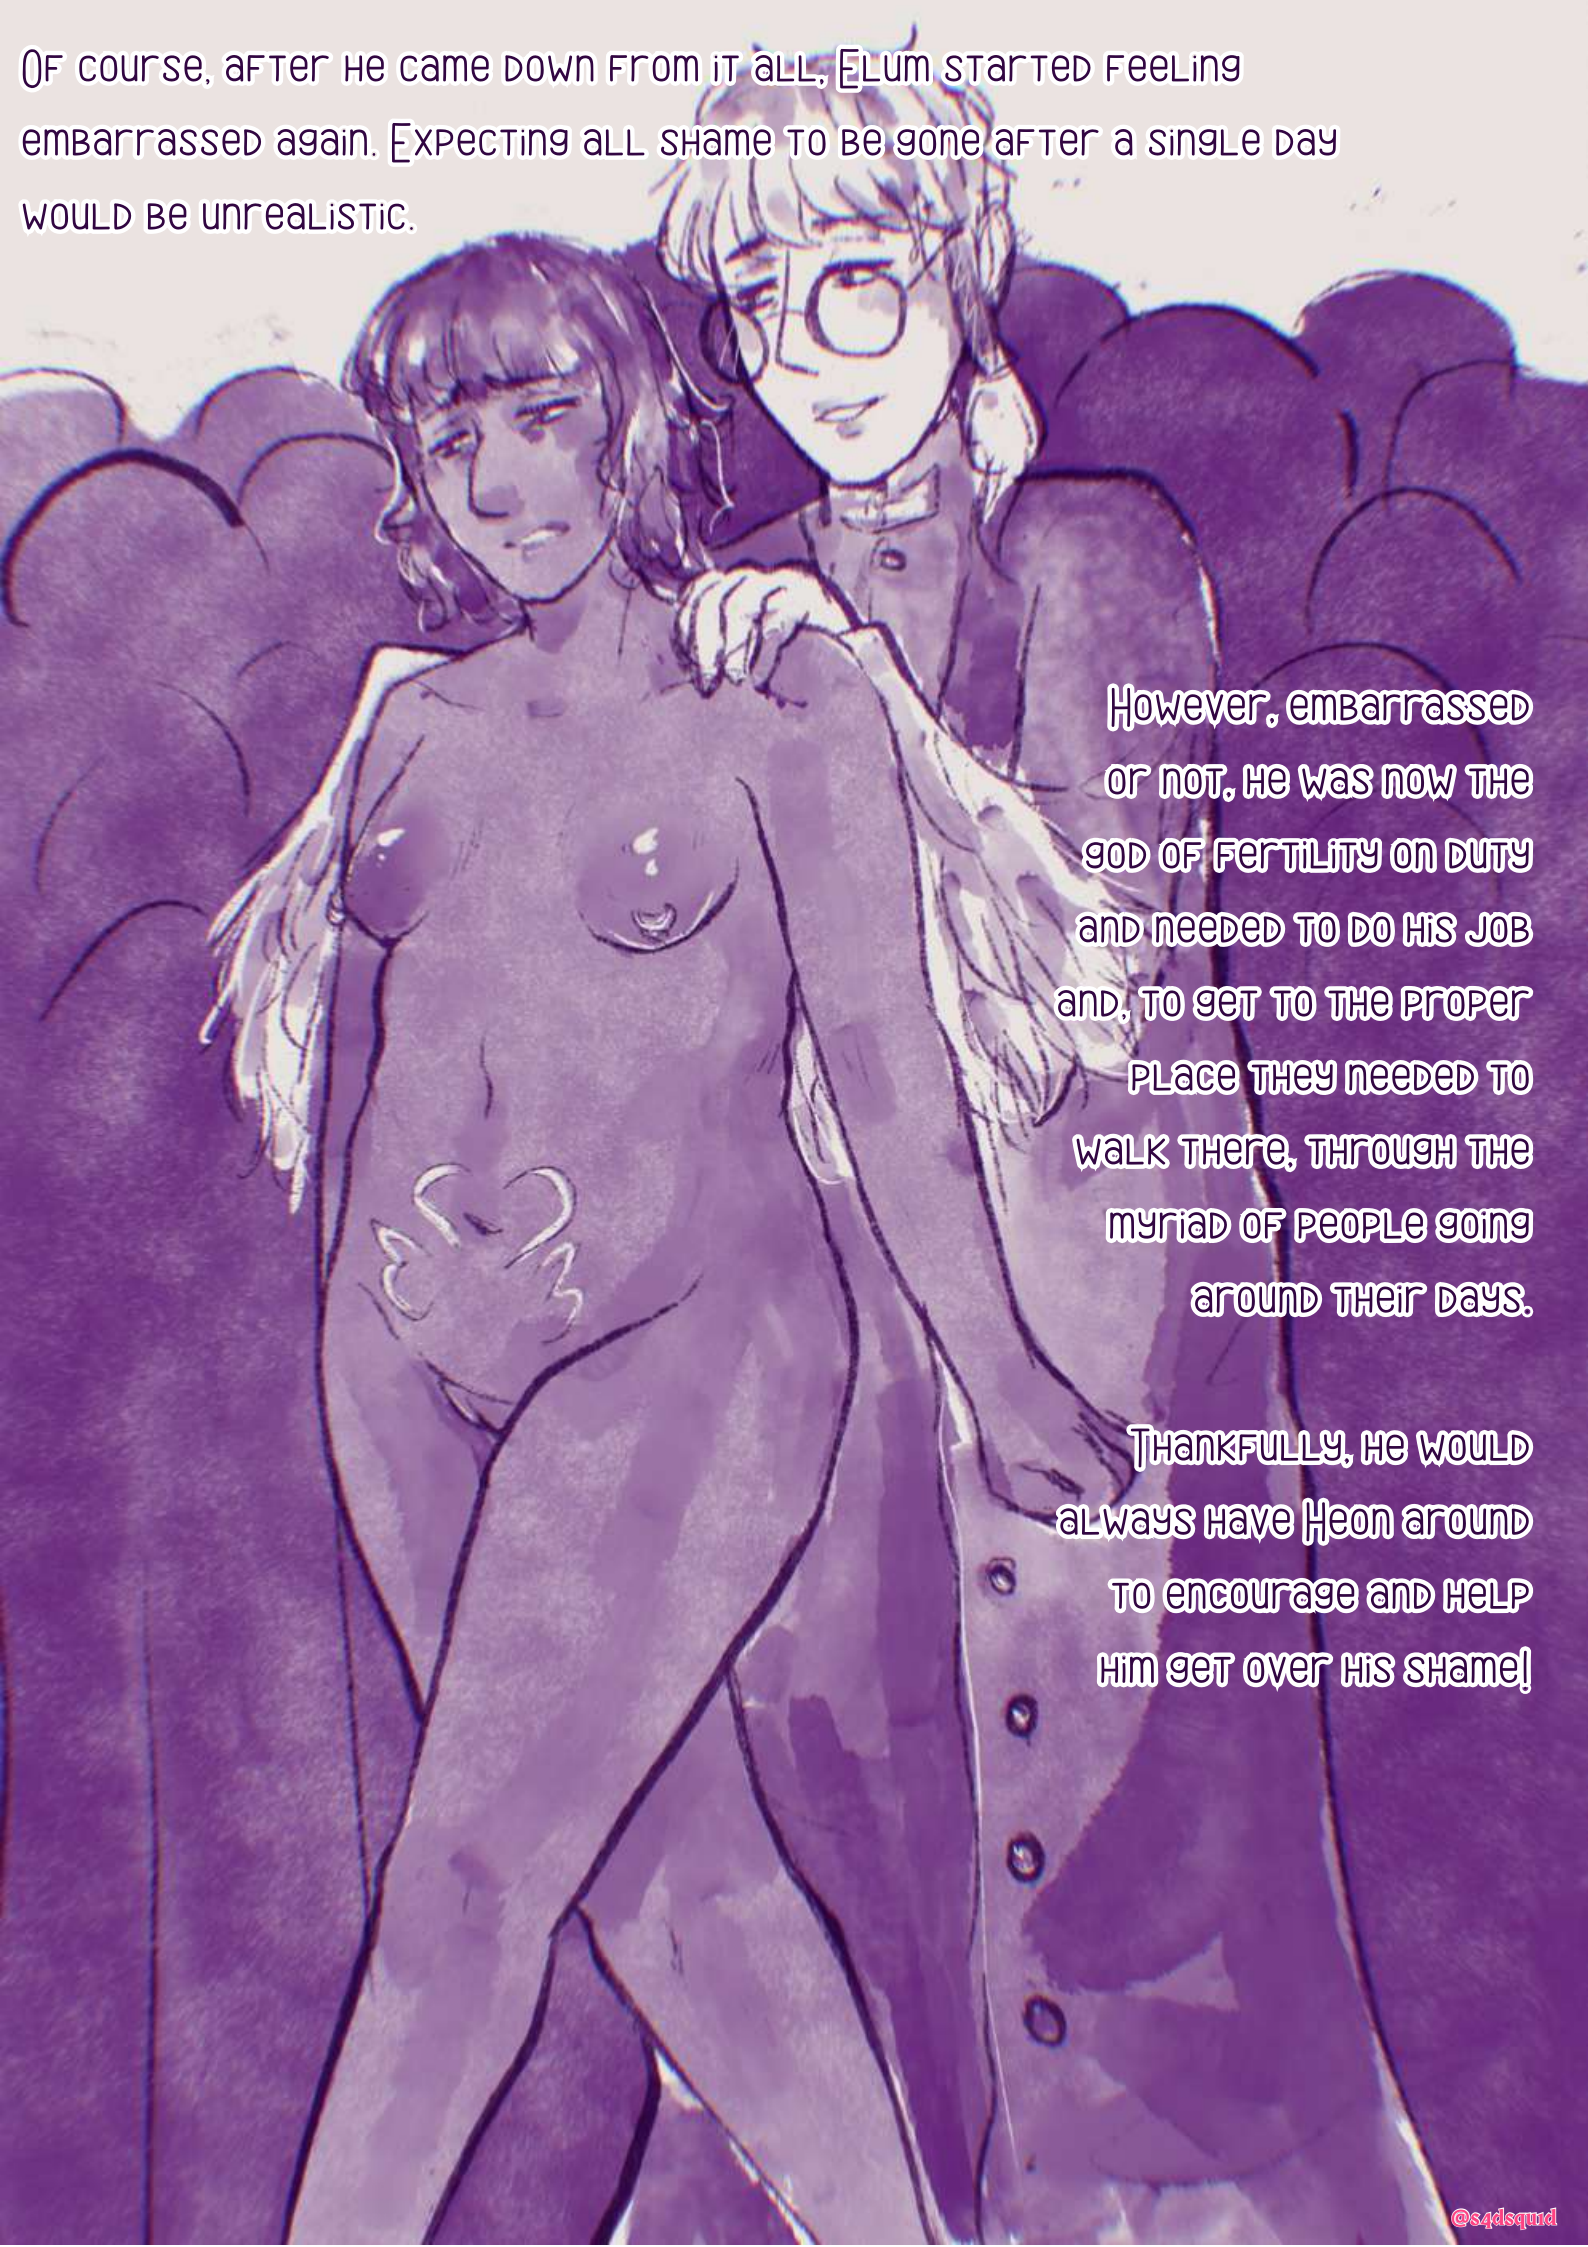

BY THE END OF THE DAY, HE IS STRETCHED OUT, STICKY WITH SWEAT AND MANY DIFFERENT BODILY FLUIDS FROM STRANGERS ALL OVER HIS BODY. HE IS STILL SHAKING FROM PLEASURE, HIS CUNT STILL SPASMING WITH PSEUDO-ORGASMS WHILE HEON UNDOED THE CHAINS HOLDING HIM IN PLACE.

SURPRISINGLY, HE IS STILL BEGGING TO BE TOUCHED, THE SUDDEN EMPTINESS AND LACK OF TOUCH FEELING LIKE HELLISH SENSORY DEPRIVATION.

HEON KNOWS ELUM IS JUST TIRED, BUT HUMOURS HIM ALL THE SAME. HE GENTLY TOUCHES THE GOD'S ABUSED AND SWOLLEN CLIT WHILE HOOKING HIS FINGERS INSIDE HIS SLOPPY INSIDES, ON THE EXACT SPOT HE KNEW ALWAYS MADE THE OTHER WHIMPER. HE HOLDS THE POSITION, CIRCLING AROUND THE SENSITIVE NUB AS ELUM LAZILY MOANS THROUGH A FINAL INTENSE AND EXTREMELY LONG ORGASM BEFORE FAINTING.

HE HALF EXPECTED IT TO HAPPEN, SO, BEFORE CHUCKING A BIT TO HIMSELF, THE GUARDIAN LIFTS HIM FROM THE CHAIR AND CARRIES THE OTHER TO THEIR SHARED ROOM, SO HE COULD FINALLY REST.

Of course, after he came down from it all, Elum started feeling embarrassed again. Expecting all shame to be gone after a single day would be unrealistic.

However, embarrassed or not, he was now the god of fertility on duty and needed to do his job and, to get to the proper place they needed to walk there, through the myriad of people going around their days.

Thankfully, he would always have Heon around to encourage and help him get over his shame!

For ten hours each day, Elum is to be placed and secured on one of the walls outside of the church, in order to continue his duty of giving people blessings.

There is no conception happening so no offerings are needed. However, people need to wear special gloves in order to touch him now.

This is to avoid contaminating the slick flowing out of him! It's supposed to be safely collected in the bucket placed below him.

ASIDE FROM HIS ABILITY TO  
BLESS PEOPLE, A FERTILITY  
GOD'S SLICK ALSO HAS  
MAGICAL PROPERTIES.

IT IS USED TO MIX WITH THE  
WATER FOR WATERING CROPS,  
MAKING THE LAND MORE  
FERTILE! IT IS ALSO USED IN  
SOME MEDICINES AS WELL, SO  
COLLECTING IS DAILY IS OF  
UTMOST IMPORTANCE!

ELUM WILL DO THIS  
EVERY SINGLE DAY  
UNTIL HE RETIRES. THE  
ONLY EXCEPTION IS THE  
WEEK FOLLOWING HIS  
LABOR AND DELIVERY  
BECAUSE EVEN THOUGH  
HE IS A GOD, HE STILL  
NEEDS TO REST IN  
ORDER TO FULLY  
RECOVER!

Thankfully, Elum is very good at his duties, so much so that he can easily fill a whole bucket in a single day!

He is constantly praised for his hard work and people just how sensitive and honest he is. Just the slightest touch is enough to make him shiver and moan. A few minutes into service and most of his shame is almost fully gone and sometimes he even begs for more touching. He is truly loved by all the townspeople!

As time passes, Elum becomes more comfortable with being seen naked and being touched by so many people.

He, however, is still extremely self-conscious about his breasts, especially now that they have almost doubled in size due to his pregnancy.

Heon helps him resist the urge to cover them as they walk around town, after all, Elum is not supposed to cover any part of his body, especially not his breasts, as he soon was going to start producing milk, which would also be collected during his daily duties.

To help him overcome this, Heon made a point to tell as much people as he could to really focus on touching Elum's breasts! He hates how much he likes it at first but after a while he was even begging his guardian to touch them more during his training~

Of course, any extra training after a fertility god's first mating is optional, but most continue with the regimen since it's a way guardian and god can bond!

Anyway, being a very dedicated god, Elum soon grows comfortable with his changed body, proudly walking around displaying with his huge, leaky teats and swollen belly.

He loves hearing people praising for how much of a good little god he is, but in truth, all he needs are Heon's words of approval in order to feel truly happy.

And, of course, Heon made sure to praise him daily! He truly is a great fertility god after all!

It wouldn't take long for Elum to give birth now. Just like the mating, it will be a public ceremony and everyone would come to watch. Some months back he would have been scared and embarrassed about it, but now he is looking forward to it!

And then, soon enough, the next mating ritual where he will help conceive the child of yet another god will happen. But that is a story for volume two~
