VICTIM BLAMING

**Oh, look what we have here!**  
**A tiefling!**

**It's one of those exiles, right?**

**Yeah!**  
**You know what that means, right?**

**It means it's our lucky day~**

**Aw, look!**

**She's trembling, hahah!**

**Of course she is, it says here she's a virgin!!**

**Awww, poor thing!**

**She must be sooo scared!**

**Nah, her cunt is twitching,  
she's surely aching for cock~**

**Either way, she's  
losing her virginity to  
strangers today  
whether she likes it or  
not, haha!**

**Aaaand it's in!**

**Congratulations on losing your virginity  
to a human man!**

**Take the blindfold off!!**

**I want her to be able to see her  
own holes being wrecked!**

**Sure thing!**

**Heeey, don't worry, honey!!  
You'll start to enjoy this real soon!**

*\*whine\**

*\*whimper\**

**Yes, you will!**

**It's not like you have a choice anyway, haha**

**Yeah, if you didn't want to become a cumdump,  
you shouldn't have committed any crimes!**

**So don't whine now!**

**This is just how things work with you tieflings,  
isn't it? Should just have behaved!**

See?

I bet it wasn't thaaaaat hard!!

You behaved so well we'll even take off that gag!

Aren't we nice?

Nice???? Fuck you!!! You're both terrible!!

And I'm not a damn girl!! I'm a guy!!!

Oh, you aren't? Aaah, sorry sorry~

You just look a lot like a girl you know?

Argh!! Why am even- You're fucking rapists!!!

You pieces of shit!!

You were better behaved with your mouth shut, sweetie.

You should know better than to talk to your superiors like that!

Also, we are NOT rapists, you idiot!

Only people can be raped, tiefling exiles aren't legally considered people so...

Using you as we see fit is totally within our rights as citizens!

I guess you need to be punished until you learn your place!

Should I shove that one cloth in her mouth before we gag her again?

Don't forget, he's a boy, haha!

But yea, go ahead! That'd be a fitting punishment for her- oops! His foul mouth

**Oh, by the way this cloth we shoved in your mouth?  
We both peed on it <3  
Hope you like the taste, sweetie~**

**We gave you a chance to comply and you  
squandered it, so deal with the consequences!**

**Hold it there don't let her-  
Sorry, I mean...  
Don't let HIM spit it out!**

**Aaah sorry, it's just hard to get it  
right with those huge tits and leaky  
cunt of yours on display, haha**

**Nah, I totally get it!  
Don't worry about it, man!**

**I see you're trying REALLY hard!  
Even though he obvious doesn't deserve it...**

**See? We can be very nice!! Even  
to foul mouthed "boys" like you!**

**Well, since you're a man, might as well get fucked like one, right?**

**I'm sure a smart guy like you knows guys only take cock up their ass, right?**

**Also that way both of us get to claim one of your virginites~**

**Awww, is he crying? How cute~**

**Fucking man up, will you?**

**Aww man, that was nice...**

**Yeah!!**

**I never imagined a virgin would actually feel that good...**

**Anyway, what do we do with him now?**

**Eeeh?**

**Well, I don't want to have to deal with him for much, so let's just take him to town and sell him.**

**Wait, we can just do that?**

**He's a tiefling exile, remember? He has no rights according to their own laws, so in that case it's allowed!**

**Our city tries to maintain a good relationship with the tiefling villages, so we wouldn't want to step on their toes and undo their work to punish their outlaws, right?**

**Ah yea, that makes sese!**

The two men take Ganenver to town to try and sell him.

Of course, they find every excuse under the sun to use him as many times as they can along the way.

Upon arriving, it doesn't take long for them to find a buyer.

He, it turns out, was a very sadistic man who owned half the inns and brothels in the area.

Unfortunately for Ganenver, that man seems to have taken a special interest in him. In the sense that he was really invested in putting him through the worst things possible, just because he thought he would look nice while suffering.

**Aaaa, you look truly adorable, Gangan!!**  
**Those restraints ended up looking amazing on you!**  
**They really show off your tiny, little "dick", don't they?**

**Don't start crying now, I can see from a mile away how wet you are!**

**You were truly born for this, don't worry~**

**I mean, even with all the potions I used to make you horny, they wouldn't work if you yourself weren't at least a little bit into it, haha!**

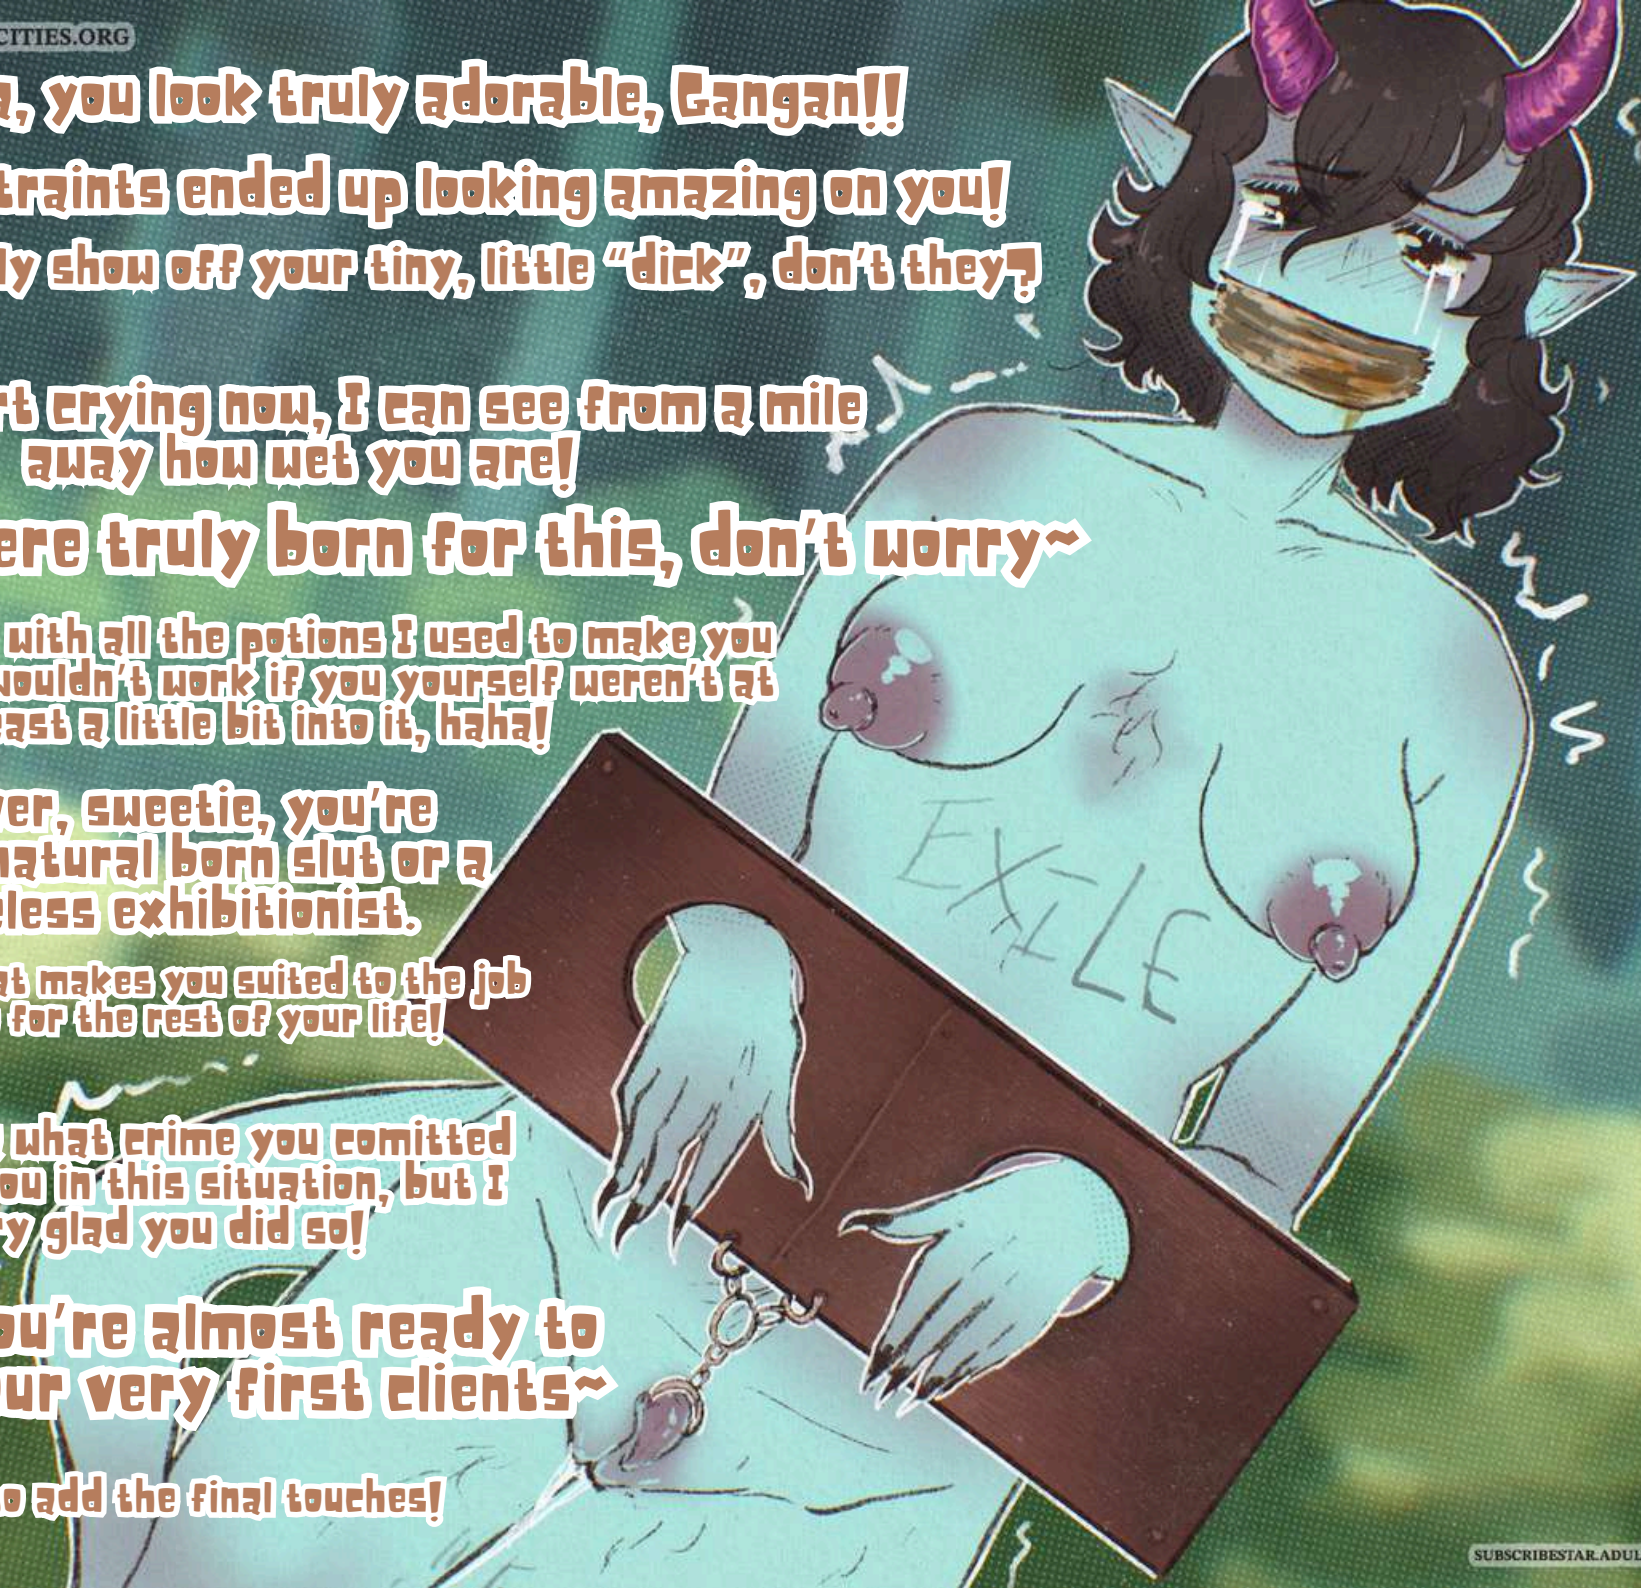

**Ganever, sweetie, you're either a natural born slut or a shameless exhibitionist.**

**Either way, that makes you suited to the job you'll have for the rest of your life!**

**I have no idea what crime you committed that landed you in this situation, but I am very glad you did so!**

**Anyway, you're almost ready to go meet your very first clients~**

**I just need to add the final touches!**

**Aaaaand, perfect!**

**We have to make sure they know exactly what you are, right?**

**A cock hungry slut...  
...and a guy, of course~**

Anyway...

**E'mon, we don't have all day, walk faster!  
And BEHAVE once we get there, got it??**

**If I so much as suspect that  
you've been disobeying, you're  
gonna start losing limbs, got it??**

**\*trembles\***

**\*nods\***

**\*nods\***

**Good boy!**

**I'm sure I won't need to do that to you~**

Here he is, boys! Enjoy!

Oooh, he is quite cute!  
Just like you said!

Have you ever  
sucked cock, boy?

N-no...  
...not really...

Oh, hahaha!  
You're in for a veeery good start, then!

Am I??

Yeah, you'll get to taste a  
bunch of them today!

**A bunch of nasty, unwashed cock, that is!**

We have been talking with REDACTED for over a year now so he could try and get us a nice little thing that has never tasted cock!

**We are so happy he managed to buy you!**

**Of course, during all this time we made sure to not wash our cocks not even once!**

**We even abstained from fucking!**

**And some of us even ended up developing infections, haha!**

**Look, they're full of pus! And you get to drink all of it~**

**All to make sure they were as filthy as possible, just for you~**

**Today is our 570 day streak, by the way!**

**And we're gonna end it by letting you clean them all thorough!**

**What do we say when someone is THIS nice to us?**

**Th-thank you, misters...**

**Good boy~**

Aaah, it feels kinda good...  
Are you sure this is your first time doing this? Haha

Y-yeah...

Did REDACTED train you  
that well or did he just  
threaten you?

I... no...!!  
...of course not!!

Nah, he clearly just likes  
it, just look at him!

He's gagging I think?

Yeah, but he's so horny he's wetting the floor!

\*nods\*

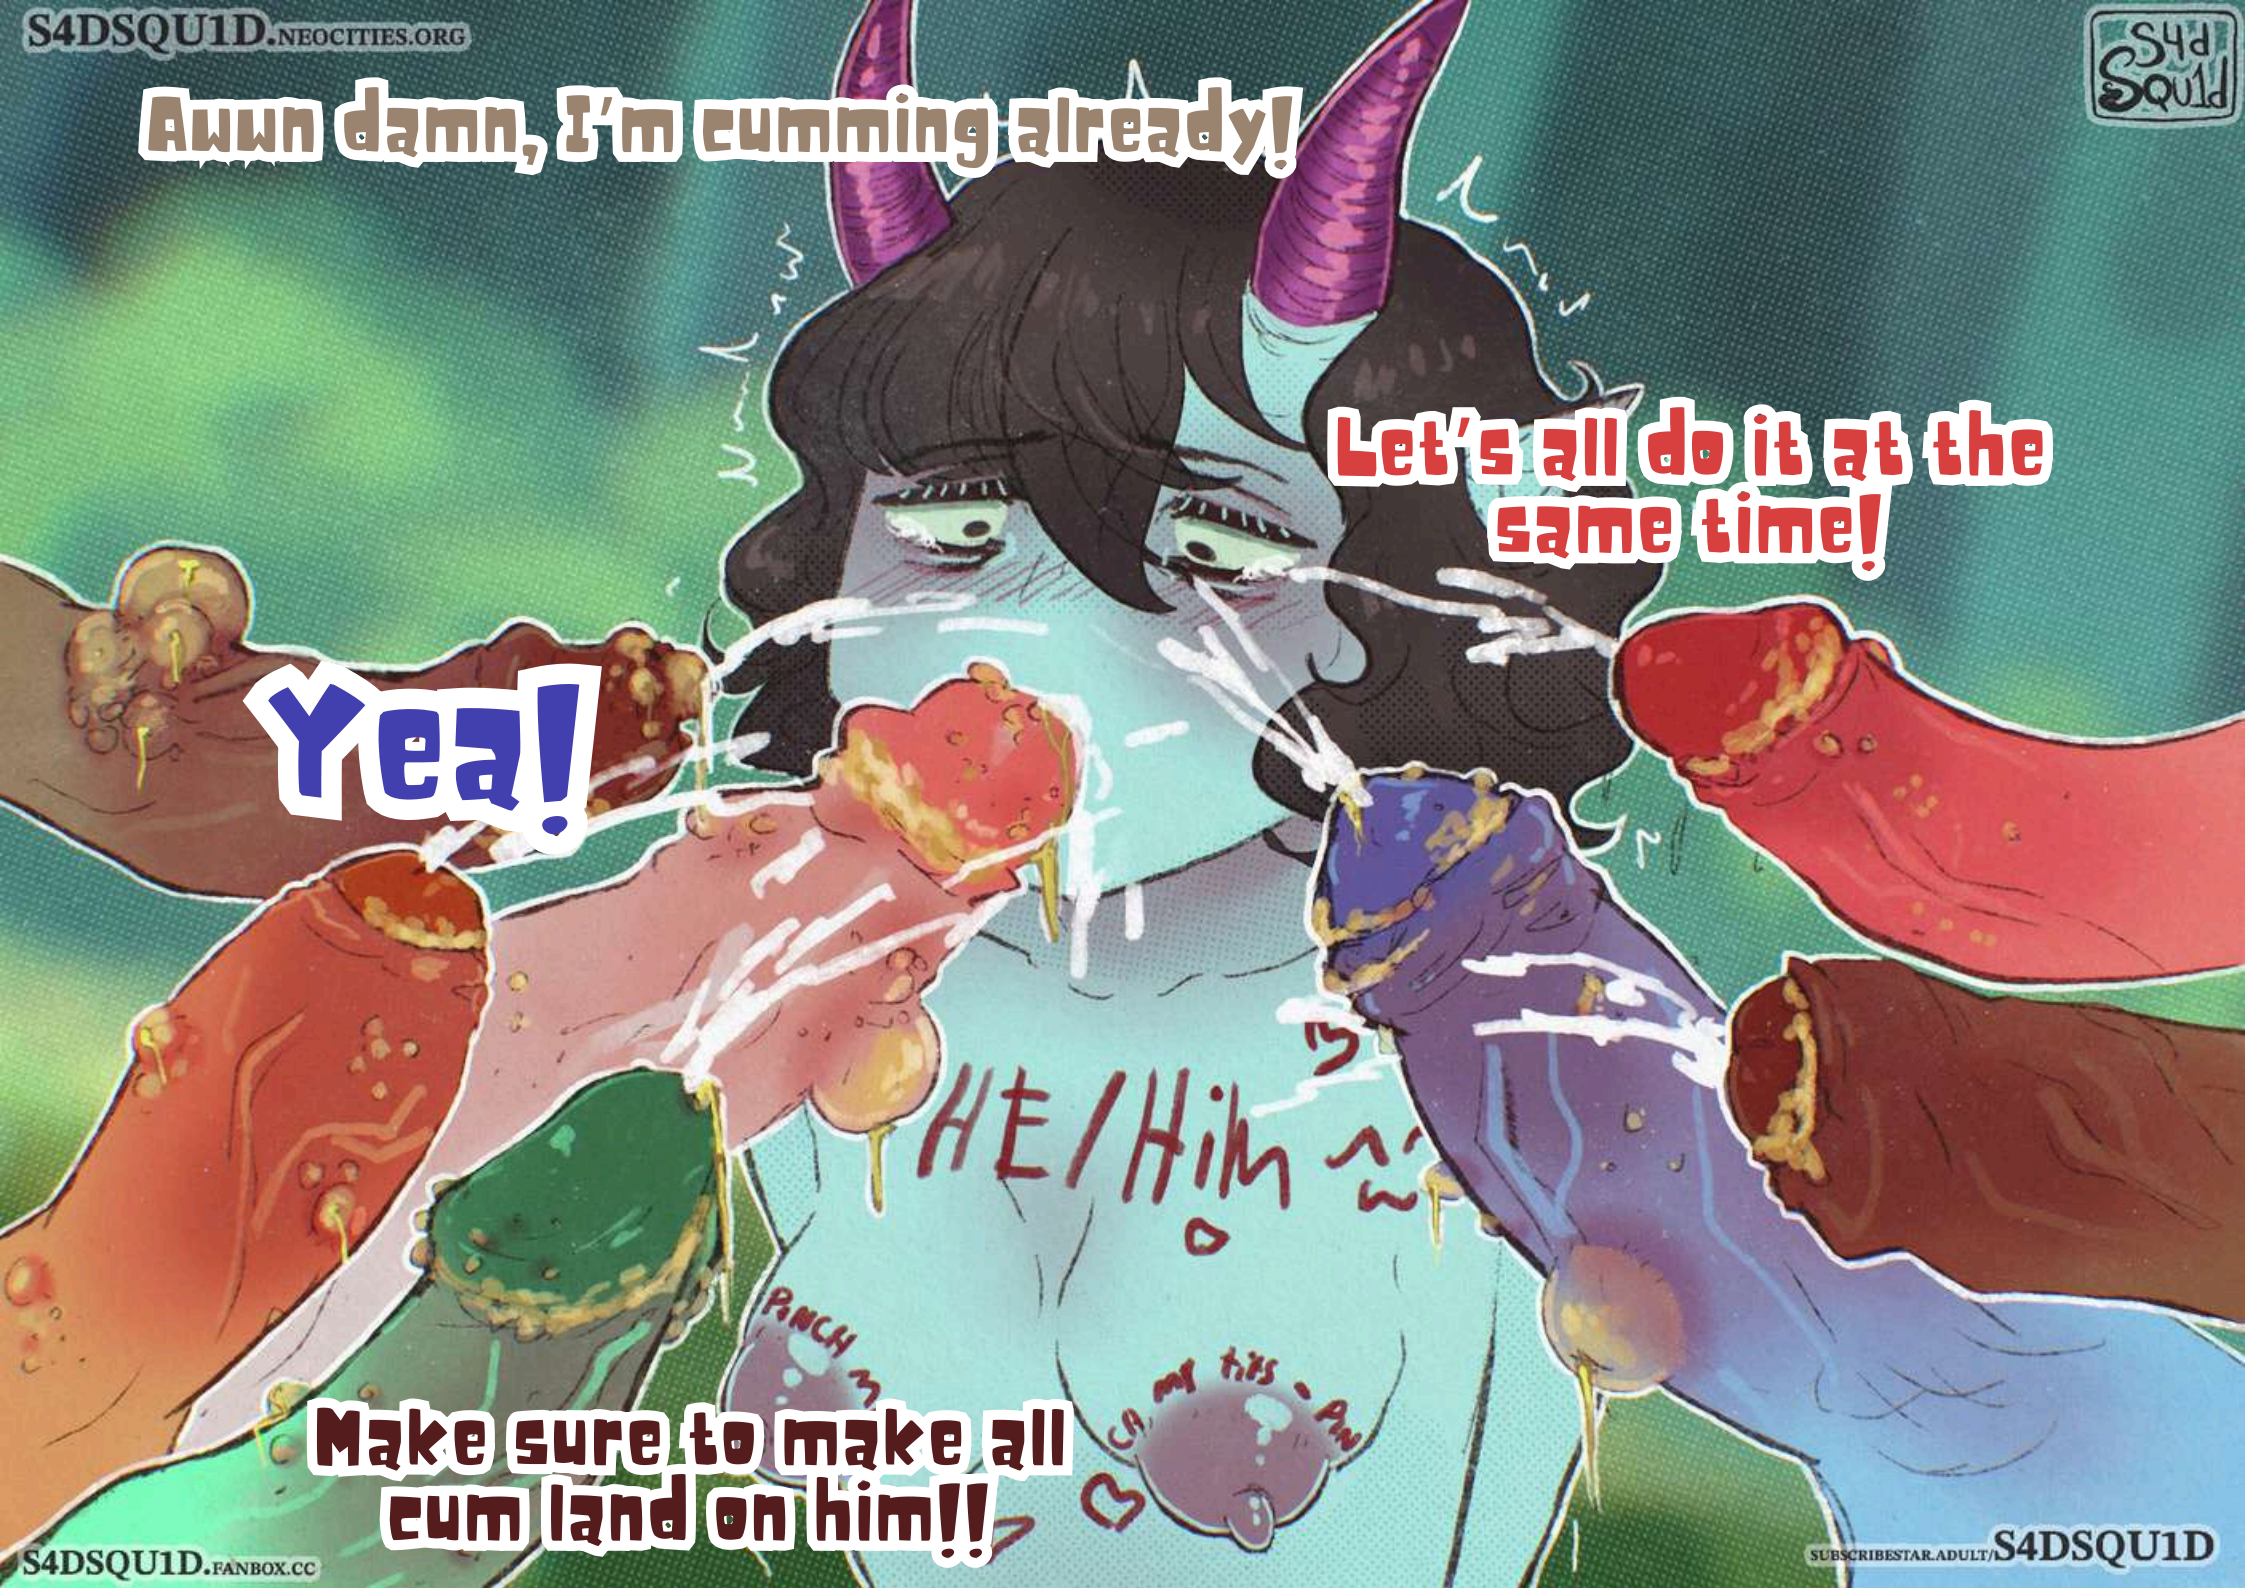

Damn, you're right!

**Awwn damn, I'm cumming already!**

**Let's all do it at the same time!**

**Yea!**

**Make sure to make all cum land on him!!**

**Did you forget your manners, boys?**

*Sorry!!*

*Tha-thank you!! For uhm... using me?*

**Awwwn, how adorable!**

**Anyway, who's next now?**

**Me, me!**

**Can we all fuck him later?**

**We have him for the entire day, so I don't see why not.**

**Only after he finishes cleaning everyone's cocks, though!!**

After a very long day of having nasty cocks in his mouth and holes, the men deliver Ganenver back to his “owner”, as previously agreed upon.

He had thought things couldn't possibly get any worse, but that was until he found out what his new “job” would entail.

Ganenver would be stationed in the backyard of one of the man’s “inns”, to be freely used by any paying guest.

He would stay there 24 hours a day, seven days a week, for an indefinite amount of time. As long as the man who had bought him saw his profits going up by leaving the at his “job”, Ganenver would stay there.

He would have no breaks at all, at most someone would come feed him and give him water twice daily.

That would be his whole life for the foreseeable future.

**Aaaah, the device works just as intended!  
It fits you perfectly!**

**It really highlights your cunt, doesn't it?  
Well, this will be your life for the foreseeable  
future, so you better get used to it!**

**Buuut, before we officially "open", I need to add  
some final touches to you, of course.**

**We gotta tell them how much you like  
cum and piss and cock!!**

**And we can't just let people assume you're a girl, right?**

**Some people might hold back if they think you don't  
really like these things and are being forced, you know?**

**Now they'll know you absolutely love servicing their cocks in any way they want!**

**Even if you think you don't like it, don't worry, you will soon enough!**

**I'll ask the cooks to mix in some of that same potion in your daily ration, ok? To make sure you're always lubricated and horny for my clients~**

**Ah, it has a teeny tiny side effect where it fries your brain a bit every time you drink it. It's said that after years of use people even unlearn how to speak!**

**But since all you need for your job is your body and your whimpering, this won't be a problem for me, haha!**

**Soon enough, you'll only be able to think with your holes, won't that be great?**

**Anyway, see you in a month or so!**

Oh...I told them to clean you this morning, did they?

\*nods\*

\*nods\*

\*nods\*

Ah, they did, of course!!

You're just that popular, right?

Hahaha!

Did you know that people are staying here just to fuck you?

I thought I'd have to close this inn and now it's the one with the most profits! You really saved this inn!

I had thought of just making you work at one of my brothels but you're clearly better suited for this job!

My sweet Ganever, you ended up being one of my best investments!

Of course, that means your position here is officially permanent!

I hope you have been enjoying yourself, because this will be the rest of your life!

**Oh, so you really did end up pregnant!**

**Well, I suppose it was only a matter of time, right?**

**You might be a guy but you still have a womb!**

**Sorry, I was rather busy, I took so long to come here that you're almost giving birth!**

**At least I managed to get here right as your cleaning was done, haha!**

**Are you even listening?**

**Is your brain that broken already?**

**Ah, damn!**

**I was kinda looking forward to seeing you horrified and in pain while giving birth here.**

**Oh well....**

**Fried brain or not, you'll still feel pain, so I won't be left with nothing.**

**Have a nice day, Gangan~**

Haha, even being pregnant, people just keep having no mercy towards you, huh?

Wait, you're enjoying this, aren't you?

Your cunt is twitching and you're humping the air!

How naughty!

That means I was right, you really were born for this type of thing! <3

I'm so glad I gave you this job!!!

# THANK YOU FOR READING!

## Author's note:

Sorry, I like horrible, despair-filled endings a bit too much to not make one out of Ganenver's original situation. Of course, things turn out alright for him in canon but I wanted to have my cake and eat it too, so this little AU was born x3

And uhm, I think this was the first time I wrote about some drug that makes you horny while frying your brain but you can bet I'm gonna be using this concept again sckfjdsnlkfjnsd.

Anyway, thanks for reading!! :3
