After being forced to go through Public Service Punishment and struggling to find a job, Soleil saw no other option but to try and volunteer at one of the government sponsored Public Service Facilities.

Between how awfully the volunteers were treated and the dysphoria the “job” directly, the whole thing proved to be way too much for Sol to endure and he soon ended up quitting. His only consolation was that, unlike the punishments, the volunteer programs were at least kept anonymous.

Not that it mattered in the grand scheme of things at that point, as a full 24 hours of him being paraded around naked around town and raped by hundreds of strangers would be publicly available for everyone to watch for the rest of his life anyway.

He had gotten the worst type of Public Service sentence a person could get. To hear his judgment, one would think he had killed someone or worse, but no, it was just some stupid shoplifting.

No wonder finding a normal job seemed impossible.

At his point in time, his meager savings had been used up long ago. He was late on all his bills and barely scraping by with the last bits of credit card limit he miraculously still had.

He knew his only option was to bite the bullet and make that call, but he wanted to stall it for as long as possible. The man had promised to help him, yes, but he had also cut off his clit right at the end. He was a cruel person, surely he didn't have any good intentions.

But more and more he seems to be the only salvation for Soleil.

To make things even worse, Soleil still had to deal with the many consequences of being subjected to a Public Service Punishment.

Hey, you!

Uhm... me?

Yes, you! I'm talking to you!

He just wanted to try and find something cheap enough to eat but he couldn't even do that in peace.

Getting one's clitoris cut off is not exactly normal in most Public Service Punishments. That's because, in theory, causing the sentenced permanent bodily harm was against the rules. Even with his hair cut short, people still recognized him.

Because of this "novelty" his videos got shared way more than usual. So many people had seen it that even if he tried to hide by covering his face and body and changing his haircut, people still recognized him.

He wished he could dye his hair back to brown but he couldn't afford to spend the little money he still had on hair dye of all things.

Soleil soon figured out that being polite and compliant usually got people to leave him alone more quickly, so that was the approach he always took.

You were that one girl who got his clit cut off at the end of punishment, right??

Uhm... I'm not a girl, sir...

Of course, he still had to deal with people's casual transphobia towards him. Nevermind that his actual gender (male) was listed on the same damn website the videos were hosted on, along with all his information, but people seem to willfully skip that information.

To add insult to injury, all he could do without putting himself at risk was try to very politely inform them of their mistake. Thankfully, most people would at least stop calling him a girl after that. Most, not all.

Ah, really?

My coworker showed me your video and I assumed you were, sorry, sorry!!

No worries, it's ok... I think...

Still, he was thankful this person actually apologized. Apologies were a very rare thing among the assholes who usually hounded him.

As explained before, once you go through a Public Service Punishment the videos are permanently hosted and easily accessible through a government website.

They are easily accessible by just searching a person's full name on the database.

Anyway, I forgot to ask your full name, can you please tell me?

I really want to watch the whole video, you know?

And I don't really feel like bothering my coworker about it, he's always so busy~

To make sure no one tries to prevent people from watching their videos, anyone who has gone through any Public Punishment Service is required by law to give out their full name when asked.

They're also strictly forbidden to omit the fact that they are on the database in any way.

Ah, it's, uhm...

Soleil Estrelle...

What?

It's kinda hard to hear you with that mask on.

Why don't you just hand me your ID?

My ID...?

Why would you-

Oh, are you refusing to tell me your name, then?

If they're found breaking those rules, they're liable to be subjected to a repeat of their first Public Punishment.

NO, NO!!
Sorry, sorry!! I'm sorry!!

Look, here it is!!
I just... wasn't sure I heard you well! That's all!!

The population at large knows this and uses this to torment and even blackmail some of them.

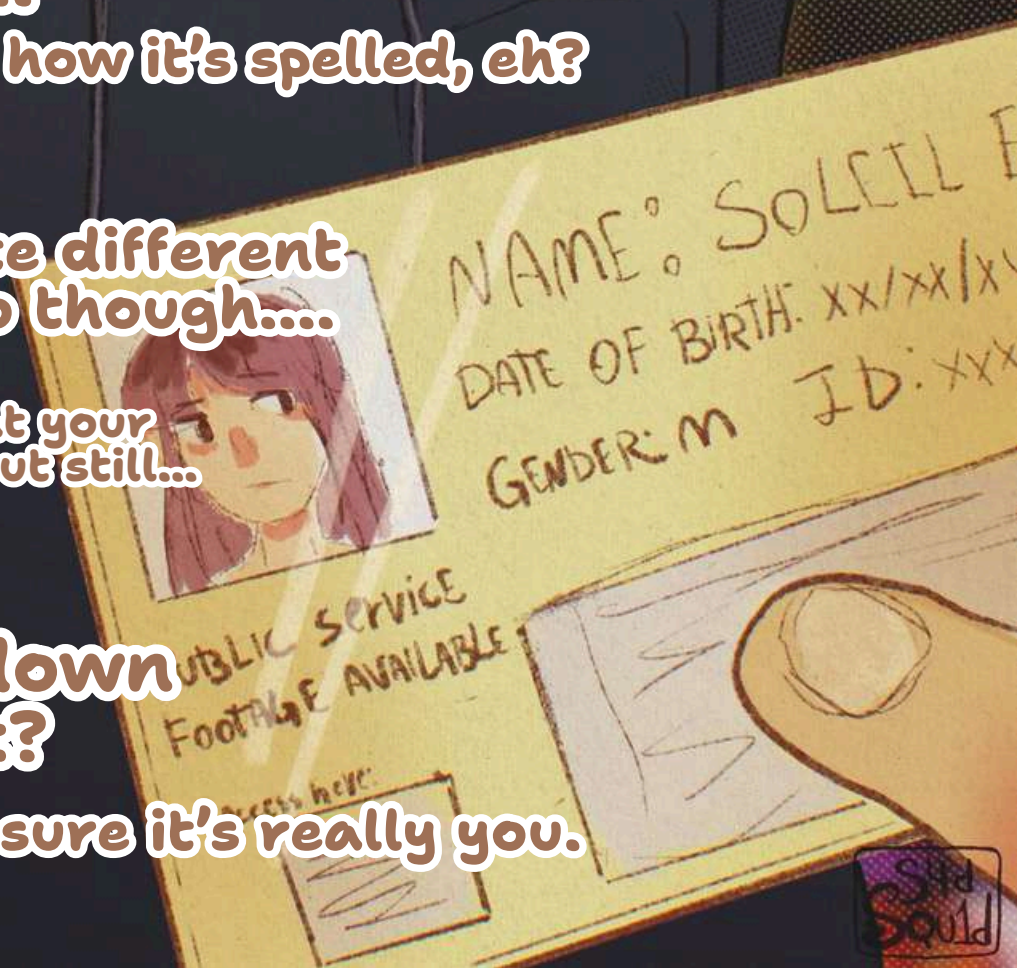

Ah, I see...
So that's how it's spelled, eh?

You do look quite different from your photo though....

It might just be that your haircut is different, but still...

Care to pull down that mask?

I wanna make sure it's really you.

**O-of course!!
See? I'm the same person!**

Hm, I'm not quite sure...

The person in the picture looks waaay too girly to be you...

You're a man though, aren't you?

Yes!!! I am!!

It's just that...

The picture... it's a bit old...

I had just turned 18 and hadn't even started HRT so...

I think that's the reason...

I don't know if I can really trust you, though...

Especially after you refused to give me your name at first-

Wait, I didn't-!!

Shh! Shut up, will you?

Law enforcers rarely side with people who have been through Public Service Punishment before, so even if someone is blatantly lying or taking things out of proportion, the complaint will most likely be taken seriously and the accused will end up being punished a second time.

I should contact authorities about this, just to be extra sure...

Maybe I will even tell them about your little infraction as well~

What do you think, Soleil?

P-please...

don't, please...

I'm begging you, don't...

I'm sorry!!, I'm sorry!!

Many people use this broken system to blackmail people like Sol into doing anything they want.

Hm...

Oh, I know!

Why don't you show me the scar where your clit used to be?

That way I will know if you're really who you say you are~

I, uhm..

Alright, I'll meet up with you...!!

Let's meet later at the warehouse I work at, once my shift is over!

Anyway, I need to get back, my lunch time is over. See you there!

I don't need to tell you what happens if you don't show up, right?

Soleil, too afraid of what might happen if he refuses, sees no option but to go along with the man's request.

Upon arriving at the warehouse, Soleil quickly spots the man from the grocery store. He is leaning against the wall, smoking.

When he sees Sol, he waves and motions for the other to come closer.

He then directed Sol into one of the office rooms, locking the door behind him as soon as they were both inside. To Soleil's surprise, there was another man inside. Sol flinched, tensing up in fear. This was getting worse by the second and now he really had no escape.

The second man, it turns out, was the aforementioned co-worker who, in the other man's words, "couldn't pass up the opportunity to see Sol's scar up close."

All he could do was grit his teeth and hope they would get on with it.

His wishes seem to have been heard, as soon as the very brief introduction was over, he was instructed to sit on the table and spread his legs.

When he started taking off his clothes, the men stopped him, clarifying they wanted him fully clothed for the time being.

Then, to Sol's dismay, they pulled out a camera, setting it on a tripod right in front of the table.

Soleil didn't even have time to think about protesting before the men started laying out their "terms".

Here is how this will go, Sol:

Once we press record, you will introduce yourself to the camera, making sure to tell everyone your full name, ok?

Ah, you also gotta ask everyone to share the video ok?

Then, you will say how much you loved your punishment and that you were just dying to experience something like that again!

Yes, yes! Tell them how you love knowing so many people jacked off to your punishment too!

...wait, wait!!

You said you just wanted to see my scar...!!

I never agreed to this!!!

Yea yea, I lied to you~

If you don't want to end up being punished again, you will very enthusiastically let us use you as much as you want. You will also go along with everything we say, got it?

And I don't want to hear any more complaining!! The camera will be rolling, if you fuck up even once or contradict us in any way, we'll be putting in a formal complaint about your behavior.

Understood?

Simple enough even for a fuck up like you, right?

...yes, understood.

With no choice but to play along, Soleil does as instructed.

Uhm... hello!

My name is Soleil Estrelle!

That's a complicated last name, how do you spell it?

It's E-S-T-R-E-L-L-E...

Anyway, uhm...

I've been through Public Service Punishment a couple months ago and I...

I... uhm...

I really loved... doing it!!

Oh, so if someone searches your name it will come up as a first result, right?

Ah... yes! Of course!

Please do look for it...

That would make me very happy!!

He got the 24hr, full service one so there's plenty of material!

Why don't you take off that sweater and pants already? You're dying to let us film you naked, aren't you?

Much better,
right?

Yes, of course!

Uhm, anyway...

I'm here because I wanted to have
sex with strangers again so bad
that I offered to let these two nice
men do anything to me today...

My only request was that they
filmed it and spread it to as
many people as possible...!

Because I... uhm... really, really
love knowing so many people
can see me fully exposed...

Woah, he's wet already!
How adorable~

You really are a hardcore
exhibitionist aren't you, Soleil?

Yes, you are probably
right, sir...

We've never seen your cunt in
underwear before, it looks quite cute~

So puffy!!

TA-DA!

We're getting a first look at Soleil's clitless cunt!

P-please take a good look, everyone...!

Awwn, he's still embarrassed, how charming~ I suppose that's-

Wait, wait, wait!!

Why do you still have that weird shirt on, Soleil?

We want to see your boobies!

Ah, that's my binder, sir...

I'm a bit self-conscious about my breasts so I use this so they don't stick out when I wear clothes...

I'm pretty dysphoric about them... Please let me keep it on...

Why, just because you're a man?

Nonsense!

You're living proof men can have beautiful tits as well~

We are not going to bother showing everyone the video if you insist on keeping that on, you know?

If you want us to keep our end of the deal, you better take that off.

Nah, better yet, let me help with your "dysphoria"!

Wait, n-!

That was the only one I had...

Good! Make sure to keep wearing it like this!

It will make your pretty boobs stand out even more than wearing nothing!~

I guess you can consider it a sort of exposure therapy? Haha

I... yeah...

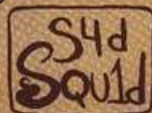

I suppose... it makes sense...

Having boobs doesn't make me any less of a man, right?

Correct!

So stop hiding those pretty things from the world from now on <3

Sol was sure they were just trying to cause him distress on purpose while trying to "look" progressive on video, trying their hardest to be seen as "good people".

You do look better fully naked, though~

Aren't you happy to finally be recorded in this state again?

Yes, sir I'm very happy...

Aren't you so thankful that two good, law-abiding citizens have decided to grant your wish?

Of, course...!

I am very thankful you guys are willing to do this for me!! I have been dreaming of this ever since my punishment ended!

So, how often do you watch your own video when masturbating? And how often do you do it??

I... I uhm... Everyday...? I guess...

I don't keep track...

If I don't look at the punishment I think of it, of course...

Can you even still cum without a clit, though?

Uhm, no, not really...

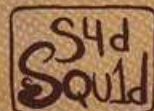

I've tried really hard but it seems like I've permanently lost that ability...

Woah, you must be quite pent up!!~

And you'll be pent up forever! Now that's a real punishment!!

Well, you do deserve it after hurting a hard-working entrepreneur by stealing from them.

Since he liked the punishment so much, it would be like he had gotten away without any consequences if that hero hadn't removed his clit at the last minute!

Enough waiting,
let's give you what
you came here for...

Our cocks!

Thank you, sir!

**Your cock feels
really good inside
my cunt...!!**

I really love how polite and
formal you are! Keep it up, ok?

You're surprisingly tight
considering how many people
have used you already~

Of course...!!!

**I'm happy my used cunt is still good
enough to please your cock, sir...**

**It was at least 500
if I counted right!**

Ah, that many?

I'm glad...

Counting the days in which he tried to work at the Volunteer
program, the total of strangers that had fucked Soleil easily
surpassed 1000, but he preferred not to mention it.

Ah, your second hole is just as good!

You can easily take two at the time, right?

Take it? Nah, more than than!

I'm sure it's his favorite way of being fucked!

With how much of a pervert he has shown himself to be since his punishment, I bet having sex any other way feels unfulfilling. Right?

Yes, you're correct, sir! I always want to be filled with as many cocks as possible...!

Really?

We can make sure you always get fucked by as many cocks as you want, every day, for the rest of you life!

H-how?!?

What do you even mean???

Well, since want to be fucked by strangers so bad, just ask for it!

I don't follow, sir...

Hm, let's see if this will make it clearer for you...

If you are watching this video, please know that Soleil Estrelle would like to be treated as public property henceforth!

If you see him on the street, you are free to use his body as you see fit. All his roles are for the pleasure of anyone who asks.

He especially loves when people cum inside!

He will never, ever deny anything that is requested of him, no matter how disgusting~

Soleil will be even happier if you record it and spread it around as well!

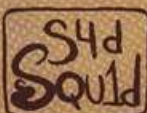

This is what you really want to happen to you, right? This is your heart's deepest desire, isn't it, Soleil?

Remember, we will only keep our end of the bargain if you're 100% honest~

I... I, uhm...

Yes, sir...!

I want things to go exactly as you said...

So... tell them in your own words!

I, Soleil Estrelle consent to have my body be used by anyone who asks.

I will not even think of denying anyone's requests.

Everyone has my permission to use my body for their pleasure in any way they see fit!

I also encourage everyone to take pictures and videos!

Great!

We will do as you asked and share this video with a lot of strangers! Of course, they too will share it as well, and everyone who sees it will know of your wishes!

T-thank you, good sirs...

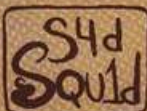

Oh, and by the way...

Everyone watching, please don't be afraid to be as rough as you want with him, ok?

We shoved a whole remote in his ass and he barely even felt any pain right?

It went in really easily too~

Of course! It feels good! I love having big things in my holes...

I'm sure you'll love this, then!

Woah, I'm surprised it even fits...

You're used to being stretched out to the limit, right?

Ah...!

Ngh...

...of co-

Of course...!!

I really love having my holes stretched out...

Man, that's the first time I came this quickly in a follow up!

Your holes really don't disappoint~

Thank you, sir...

It's like you were born just to be a cumdump!

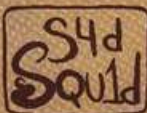

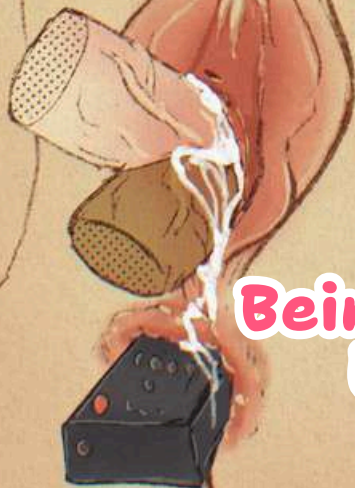

Kinda ironic your body is so good at giving people orgasms when you can't even have one yourself, hehe~

I bet being on edge all the time just makes him extra horny! I'm sure he loves it.

Yes, you're correct, sir!

I am always thinking about my cunt, the pulsating sensation never goes away...

Being fucked is the closest to relief I ever get!!

Ah...Perfect!
A cumdump filled to the brim!

Hey, uhm...
You won't get pregnant from this, right...?

Ah, no... that's impossible...

My punishment already got me pregnant...

It's still early on so it will take a while before I start showing...

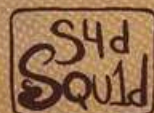

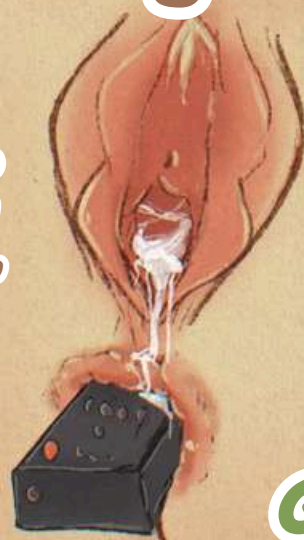

Wait, really?
That's great news!

You'll keep coming here to let us fuck you on the regular, won't you?

Can't wait to see those breasts filling up with milk~

Y-yes! Of course, sir!
I will pleasure your cocks as many times as you want...

Good boy!!

Well, that's it for
today's video!

Time to say goodbye
to everyone, Soleil!

Come to think of it, it's
more of a "see you soon"
than a goodbye, though...

**T-thank you for watching me
getting fucked by strangers again!!**

To make sure no one has any doubts about what you truly
want, would you please reinstate your full consent again
before the end? Especially regarding people having free
access to you from now on!

Of course, sir!

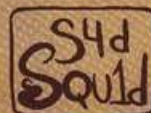

I fully consented to everything that happened in this video and
fully consent to it being shared around! I also preemptively
consent to being touched and penetrated by anyone, at any
time, for any reason, without them needing to ask for express
permission. I also consent for all these acts to be recorded and
distributed freely.

Soleil Estrelle, you are aware that, per national
law, consent that is recorded on video cannot
ever be revoked by any reason, right?

Perfectly aware, sir!

**Well, you
heard him!**

So please do share this video if
you come across it, that way,
as many people as possible will
be aware of Soleil's wishes!

In trying to avoid being made to serve a Public Punishment again, Soleil ended up getting himself into an even worse situation.

Because he, without thinking properly, spoke the words, there was nothing he could do now.

Sure, he could technically still run away or fight off anyone who tried to rape him but, because of the video, legally speaking, it was impossible to rape him.

In fact, if he did try to fight, he would most likely end up being punished for assault.

You did great, we won't be making any formal complaints about you!

For the time being, anyway~

Yeah, if we hear of anyone saying you put up ANY sort of resistance to their requests we will make the complaint, don't forget!!

I understand, just...

Please...

...can I dress up now?

Sure thing!

Just make sure you don't clean yourself up, I want you to feel our cum dripping out of you while you walk home~

And make sure to wear your new binder!

Today and every day from now on!

We want everyone to be able to ogle at your tits even fully clothed~

If anyone catches you without it... well, you know the consequences!

O-of course, I'll do as you say, sir...

Can I please go now...?

I'm tired...

Yeah, sure.

And to make sure you are off to a good start, we both will personally walk you home!

Dude, I had a brilliant idea! We should put his address at the end of the video!

That way, he won't be able to hide at home to avoid being seen!

Yes! We should remove his locks as well, so anyone can go in!

I wish we could get away with removing the whole door, to be honest.

Perfect!!

Anyway, I will stop by to pick you up first thing in the morning, ok?

I wanna fuck you again as soon as possible~

Me too, me too!

Actually, let's pass him around everyone! The team could use a little morale boost~

We could undress him and keep him tied up in one of the empty storage units!

Anyone will be able to go in and use him!

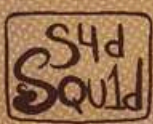

We could just keep him there permanently when he eventually gets evicted...

Great idea!

Ah it seems you're gonna be working as a cumdump from now on. We will even feed you if you behave~

Maybe we should livestream it?

Oh absolutely!

Soleil was too numb to even think of running away. Surely being punished once more would be less bad than that, but he no longer had any energy in him left to keep fighting.

He decided he would just lay there, unmoving until either he dies or they kill him in some fit of rage.

Morning came and he was awoken by knocks on his door.

Sol made no effort to go greet whoever was there. He was sure it was either those horrible men or some idiot who had seen the video. He didn't care, they could rot there for all he cared.

Until he realized that those men knew his door could no longer lock, they themselves had removed the mechanism. If they wanted to get in, they could just go inside! It was likely that they would have told this to anyone watching the damn video too.

Who could it be?

Curiosity gave him enough motivation to get up and crawl to the door. Once he opened it up, no one was there.

There was only a large cardboard box with a piece of paper on top.

It read:

“I’m sick of waiting. If only you had only called me like I told you to, you wouldn’t be in this situation.

Still, I’m not going to hold a grudge. There’s nothing you could do that would make me love you less, even if you tried.

Don’t worry about the video, I burned all the copies. I don’t want any loser on the street putting their hands on you. Not without MY permission anyway.

Since you are obviously struggling and in need of rescue, one of my employees will be at your home at 8:00 to pick you up!

You will follow their instructions.

There’s a gift inside this box, to show how much I care about you :)

With love, Amon <3"

He wasn’t sure what to think.

He knew this was written by the man who not only confessed to pulling strings to make his punishment worse than it needed but also the one who cut his damn clitoris off.

None of that made sense.

Having absolutely nothing to lose, he opened the box.

As soon as he opened the flaps, he was assaulted by the unmistakable scent of death.

The heads of the two men from the day before were inside, still bloody. There were no signs of rotting, it was like they had been cut mere minutes before.

Having been unable to eat for the past days, there was nothing but bile in his stomach, but even that was a struggle to keep inside.

He dragged the box inside and, closing the door before falling to the floor, crying, not sure if he should feel relieved or afraid for his life.

And yet, even through all that, he couldn't help but feel the smallest tinge of happiness.

Even if this Amon was even worse, even if his own life was now good as over, at the very least, those awful men who had thought they could get away with anything were dead. They were fucking dead!!!

At the very least, two of the people who laid their hands on him paid for it. Two out of thousands, but it was still better than nothing. So he allowed himself to feel good about it, at least for the short time between then and 8:00.

Soleil figured that running away wouldn't work, that the man who gave him that "gift" would find him one way or the other. So he just lay there, in a fetal position, cradling his own knees, taking in the smell of rot that spread throughout his apartment, waiting for the final knock on his door, hoping against hope that he could disappear.

THANK YOU FOR READING!

Author's note:

I've been meaning to write everything that happened leading up to Dystopia!AU Sol finally starting to live with Amon and I'm happy to say I've finally covered 99% of it! There's still their dinner together but at that point I already consider that he is in Amon's clutches so...

Anyway I love, love, love Dystopia!Amon as a character because I find his obsession with Sol and hypocrisy very fun to write and hopefully I'll be able to do that again soon :3

I lowkey also want to write/draw an IF scenario where Amon let's the guys go through with their plan eventually.

Yes, an IF of an AU, I'm losing the plot and it won't even be the first. I'm not sorry LOL
