Are you ready to become
our cumdump, Sol?

huhm...

I know you're very concerned
about strangers misgendering you,
but as your new owners we have
decided that you are an object and
objects don't need genders!

Aren't you glad we completely
solved this issue for you?

That's not what I me-

Wait, this thing actually
fucking showed up?

What a whore!

Hey, don't disrespect
whores like that!

Sol isn't even
human, it really is
just a cumdump.

SHP
SPUD

Wait a second!!

... I only came because-

Oh, because we threatened you?

Don't me us laugh

Yeah, sure, keep telling yourself that...

Aww poor thing~ It can't help being so stupid~

If you really hated it that much, you would have told someone, wouldn't you?

I mean, even if you did end up having to do public service again once or twice as punishment for your own petty crimes, what is that when compared to the lifetime of it you'll get with us?

Wait...what?

You can't be serious!!

That's not how any of this wo-

C'mon, you can't be this dumb!

Just admit it, you like being nothing but a cumdump!

No! Wait!

Shh, I was going to wait to put this in your mouth but your voice is grating my ears.

Remember Sol, you're here to be fucked, not to complain.

Yup. What you think or want is irrelevant to us!~

**SUP
SPMS**

Well, let's start then?

Wait, wait!

We gotta take some
"before" pictures first

It will be fun showing
everyone the comparison!!!

Are you gonna
post them?

Yeah, with the address!
That way more people can come and use Sol!~

Are you stupid?
This is our job site, if this
gets out we're fucked!

No adress for now, we
need some deniability.

Understood?

Ugh, fine...

panting

heavy breathing

S4P
SP4M

Oh, please shut up! ^{*whine*}

We all know this isn't the first time you're seeing cock, Soleil.

No need to act like a damn virgin, you're the furthest thing possible from that at this point.

And there's plenty of publicly available footage to prove it, haha.

Everyone knows you're a cock-hungry cumdump!

How many people have fucked it anyway? 100? 500?

Counting its public service and the voluntary period it did, probably around a thousand

No fucking way!!

Hey Sol, if you act like the good, well behaved little cumdump we know you are and service us without complaining, we might even let you eat something without too much cum splattered all over it later~

Speak for yourself, I want it to eat my cum!!

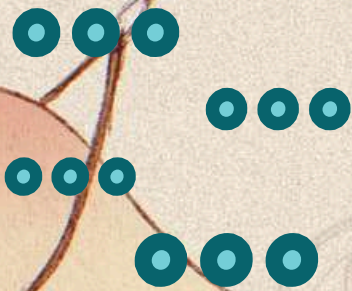

S4P
SPMS

Woah, Sol was really popular today!

Did it behave?

I heard no complaints, so
assume that it did!

Awwwn, who's a
good cumdump??

Hey, I'm talking to you,
you ungrateful fuck!
Do you want to get punished?

shakes head

whine

FREE

I love
COCK

Much better!

Aren't you happy you used your cumdump
holes to make so many cocks cum??

nods

Man, you really know how to get it to behave...

Ehh, it's only simple because it's in Sol's nature already!

If hadn't been born to be a cumdump it would be impossible!

Actual humans wouldn't break so easily!

Hey, Sol!!

Don't you think it's kinda cute that that guy removed your clit that time you had to do actual public punishment?

He really went and gave your a body fit proper cumdump!

I mean, think about it...

Your body is now only useful to make others cum, but you yourself are unable to!

It reflects your only purpose, which is to serve~

You agree, don't you, Sol??

nods* *nods

You're so adorable when you behave~

Almost like a puppy!

Do any of you think he could sense Soleil's true nature even back then?

Oh, absolutely!

Woah Woah Woah!!!

Did you just shove a whole wine bottle up its ass?

Eeeeh, don't worry, it can take it!

Uhm... It looks kinda tight...

Even if it couldn't take, isn't a cumdump's job is to make others happy, even if it requires some sacrifice?

With that said, it does seem to be fine.

See? No need to worry!

This makes me happy, so it's settled!

Hmm...

Do you know what would make me happy...?

Let me guess...

Seeing Sol's holes even more destroyed?

Exactly!

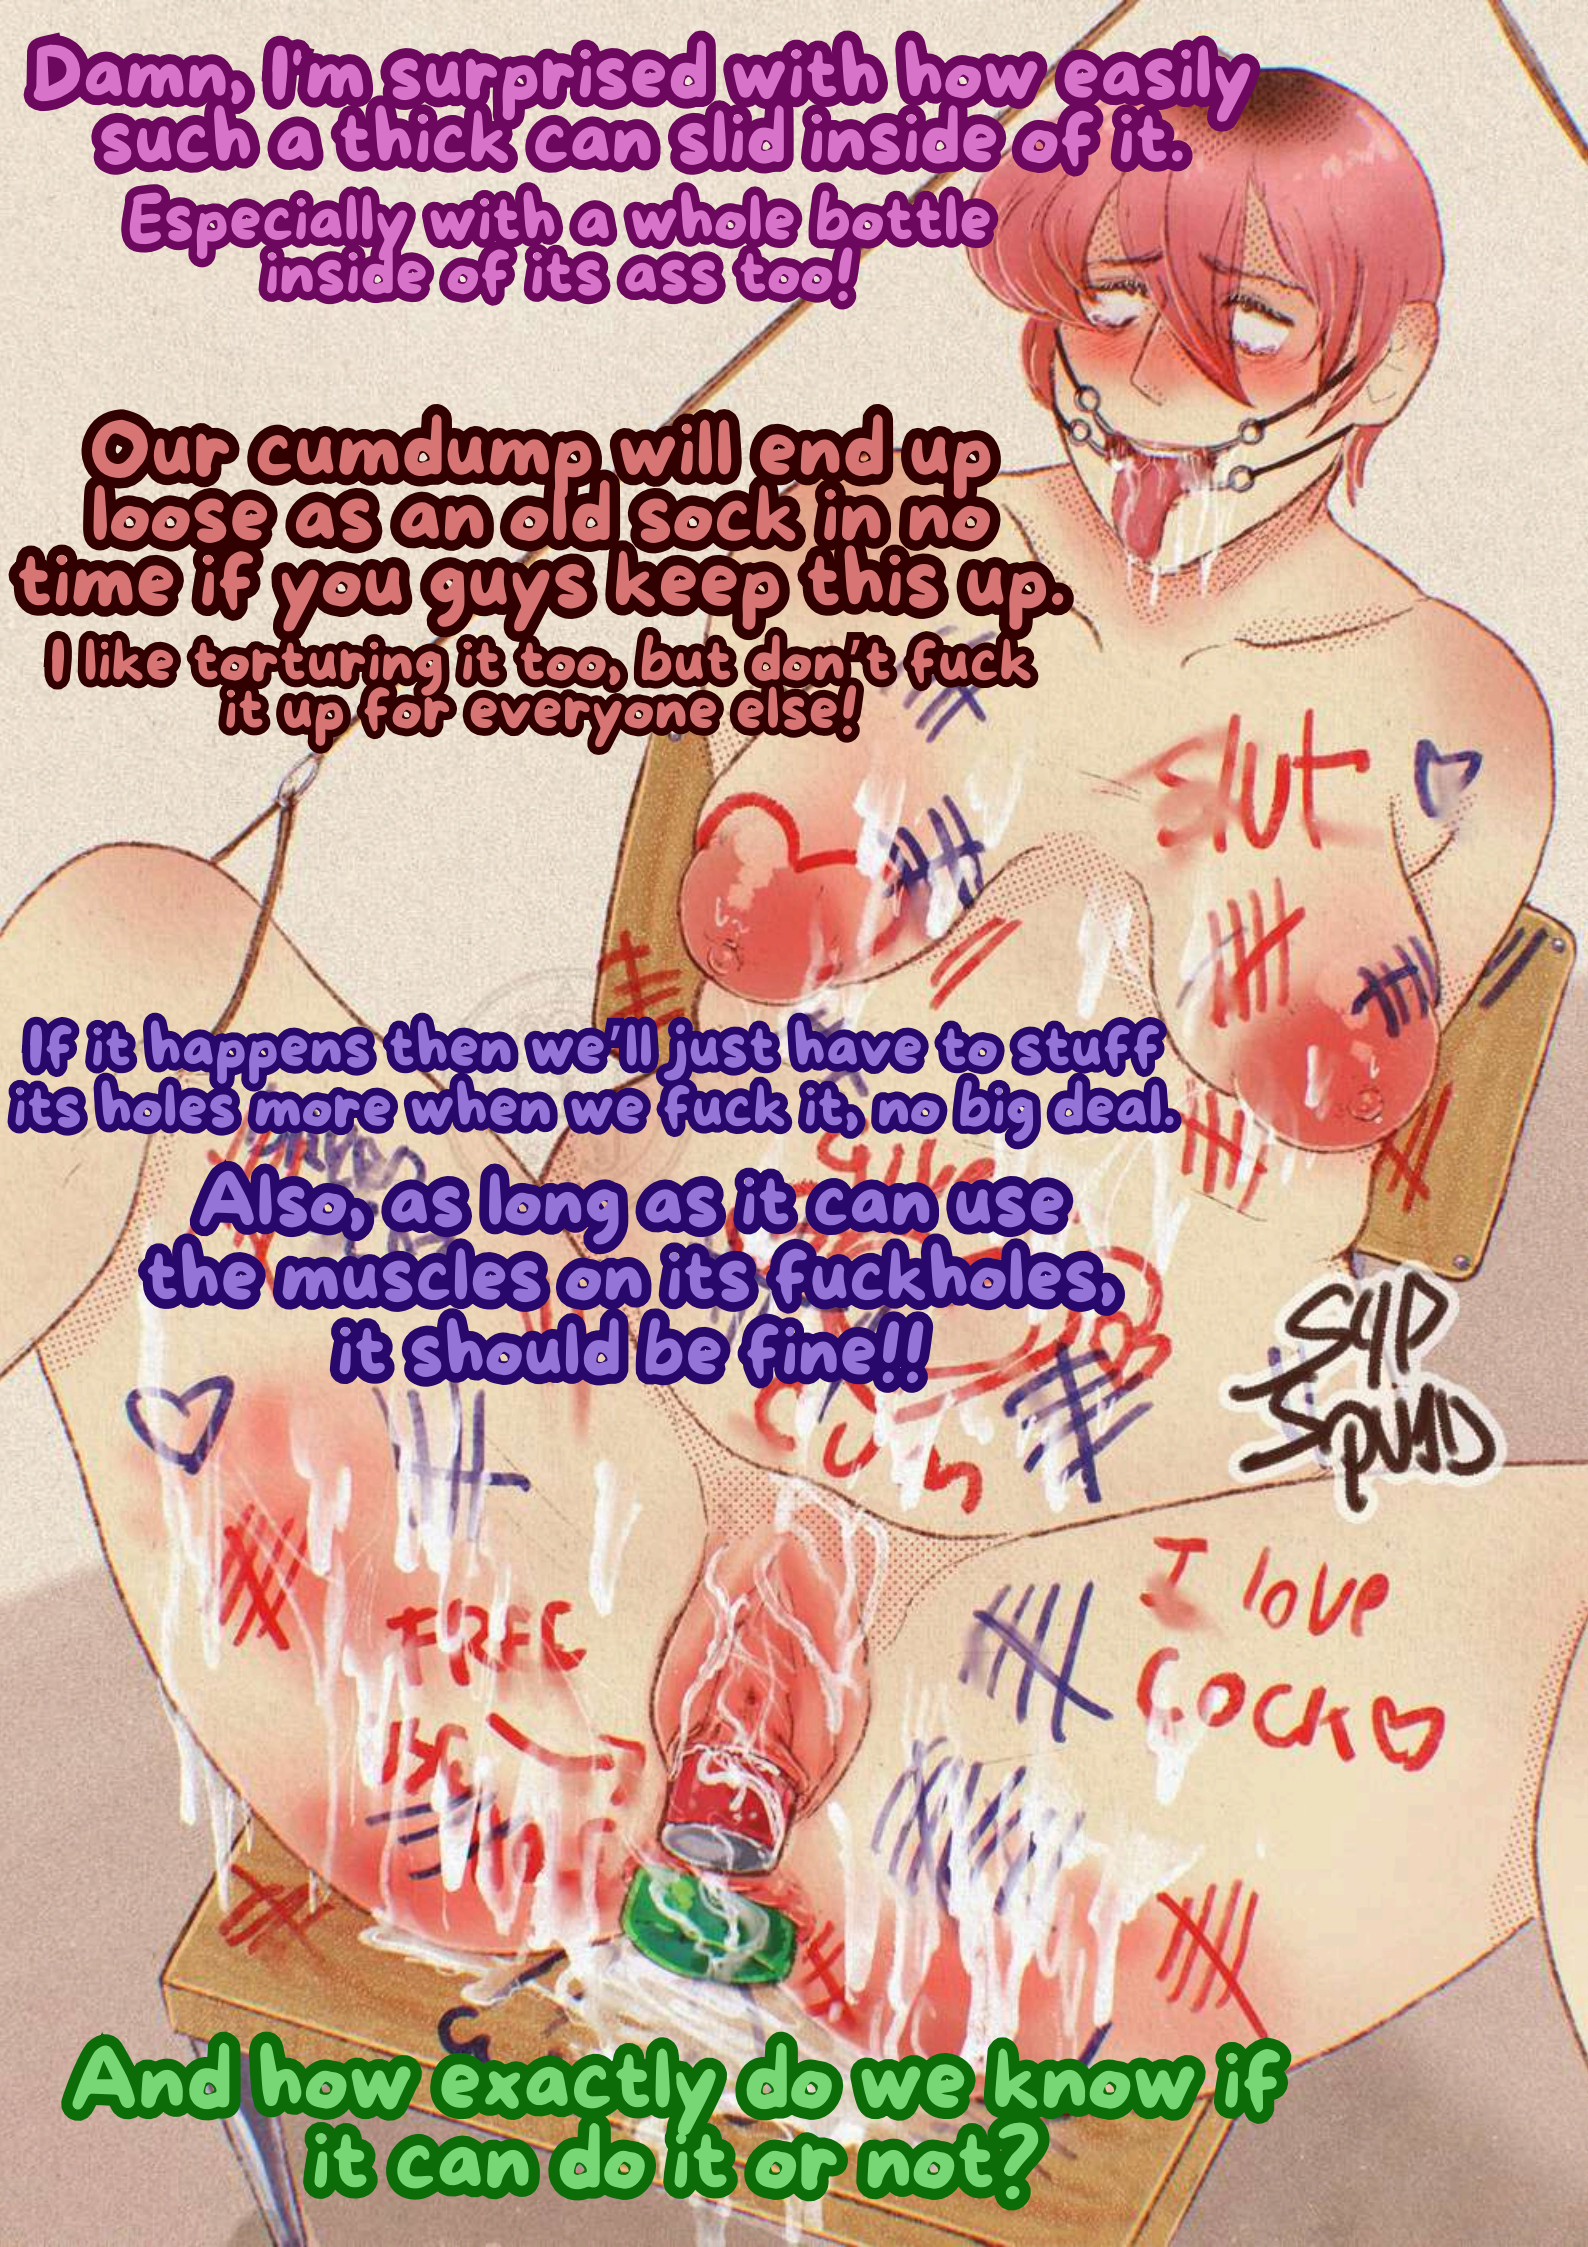

**Damn, I'm surprised with how easily
such a thick can slid inside of it.
Especially with a whole bottle
inside of its ass too!**

**Our cumdump will end up
loose as an old sock in no
time if you guys keep this up.
I like torturing it too, but don't fuck
it up for everyone else!**

**If it happens then we'll just have to stuff
its holes more when we fuck it, no big deal.**

**Also, as long as it can use
the muscles on its fuckholes,
it should be fine!!**

**And how exactly do we know if
it can do it or not?**

It's simple, really!
Sol, push those out, will you?

ghhh! *pant*
pant
pant

Put some effort into it,
it will make a nice video!

pant *pant*
nhhhg!
pant *pant*

Awwn, it's like a pet
doing a trick!

Well, kind of...
Pets still have more
dignity than cumdumps.

I suppose you're right,
Soleil has none of that.

See? I told you it could do it!

Good job, Sol!

**As a reward for your hard work,
we'll leave the door to this room
unlocked overnight!!**

***panic* twitch*
shake
scream***

Oh, no, no, no...

Don't overreact on us now!

**I know it can be confusing,
so I'll explain this in a way
even a dumb little thing like
you can understand:**

**You need to forget that shitty
apartment you called home, you're
not going back there. Ever.**

**You live here now. This is your
new home and being a cumdump
is your new job!**

**In fact, being a cumdump
is more than just
your new job, it's your
very purpose!**

**I thought we had already
agreed on that earlier
today, hm?**

**We just don't want you to get
bored during the night! We are
trying to help you! This is a
reward, not a punishment!**

Don't worry, you'll be perfectly safe

The chair is attached to the ground and you are safely shackled to it

No one will be able to take you away!

We don't have night-time security personnel due to budget cuts so, sadly, there will be no employees for you to service.

However, some random guys usually sleep around here and they frequently enter rooms and containers to sleep at night if left open.

They don't really cause any problems so there's this unwritten rule that can stay for the night as long as they are out before we start out shifts.

I suppose it's a matter of time before some of them find you, but if I see anyone around I'll direct them here. So don't worry, you won't be bored for long~

I'm sure they'll really appreciate being able to use you before sleep, hopefully it will give them sweet dreams!

Oh, a bunch of people from other branches will come tomorrow too!

You know, for the big yearly meeting?

There will be like, at least 200 new people walking around here at the very least.

Ah, right, I almost forgot!

I suppose it will be a very busy for you tomorrow, so be prepared, cumdump!

You treat them well, ok?
But above all, enjoy yourself, Sol!!

Yup! Goodnight, Soleil~

THANK YOU FOR READING!
